#### ANOTHER DIMENSION

*The carousels of all little panics perpetually rotate, each circle closes for another to open and the tyranny of existence continues to be summed up in the agonizing question:*

*the eternity of the temporary  
or the temporary eternity?*

*Against a background of the universe's vast mirror, to what extent can the instantaneous, the insignificant and the random leave any trace on time's relentless flow, giving another dimension to eternity?*

*Elsa Korneti*
