

LSA Collegiate Postdoctoral Fellowship Program

Fellowship Period: July 1, 2017 – June 30, 2019

Application Deadline: November 7, 2016

The College of Literature, Science, and the Arts (LSA) at the University of Michigan is excited to announce the LSA Collegiate Postdoctoral Fellowship Program, a major initiative aimed to promote a diverse scholarly environment, encourage outstanding individuals to enter academia, and support scholars committed to diversity.

This two-year fellowship program provides early career faculty with dedicated research time, mentorship, travel funding, and professional development opportunities to prepare scholars for possible tenure-track appointments in the College of Literature, Science, and the Arts. Fellows will teach one course each year.

LSA hopes for multiple fellows to be selected each year and placed throughout the College, so we encourage wide dissemination of this announcement to networks in any LSA discipline.

Candidates whose research, teaching, and service will contribute to diversity, equity, and inclusion in LSA are encouraged to apply.

Program Description:

See a full description of the program on our diversity, equity, and inclusion website:

Eligibility

Review committees will evaluate applicants in all eligible fields according to their potential for success in an academic career and potential to contribute to higher education through their demonstrated commitment to diversity in scholarship and service. Applicants who will have completed the doctoral degree no later than July 1, 2017 and no earlier than July 1, 2014 are eligible to apply. Applicants in the fields of Economics and Political Science must complete their doctoral degree by July 1, 2018. Individuals awarded a Ph.D. from U-M or currently holding a postdoctoral or faculty position at U-M are not eligible. Candidates from any discipline within [LSA's academic units](#) are eligible to apply.

Application:

LSA invites scholars to apply beginning October 6, 2016, with the application closing November 7, 2016.
